The world offers a new surprise everyday. Who knows it better than those practically living out of the suitcase as you are. We know what this means for you and understand what you constantly look for. Here is an experience that offers you a cocktail of the unique and fresh with the comfort of the known. A home away from home, yet an inspiring getaway from it all. Plush well appointed rooms, state-of-the-art business suites and a host of options for leisure and fun. The right mix of business and leisure. It's our pleasure to have you here. Welcome to Golden Tulip BDI.

# Inviting Rooms, Inspiring Stays

The hotel has 40 guest rooms and 16 serviced apartments. Aesthetically appointed and equipped with all modern facilities, our rooms offer a perfect combination of comfort and convenience for both business & leisure guests. For those who ought

to be connected all the time, we have modern work desk with multiple data-ports and high speed Wi-Fi. And for those who wish to unwind, we have specially designed extra-soft bed, unmatched personalized in-room services and a host of

other facilities like an LED TV with over 200 prime channels, a mini-bar with lounge, tea/coffee maker etc.

# The perfect platter for your palate

Extraordinary tastes, riveting colors and delightful aromas from around the world, come together to create the perfect culinary feast for you. A specialty Japanese restaurant and a 24x7 casual dining promise an experience you would love to savor.

A uberchic 24x7 multi-cuisine restaurant, Mélange is a medley of gourmet experiences from around the globe recreated specially for your platter.

Tsuru is all things Japanese. Serving authentic Japanese cuisine, cooked to perfection by masterchefs, it transports you to the majestic land with its distinctive Japanese ambience.

A cozy lounge bar for comfortable rendezvous with choicest of liquor from around the world.

# Banquets & Conferences

Planned to Perfection

Majestic & magnificent, this well equipped banquet hall plays the perfect host to your corporate and social events. It is backed by a team of experts using the latest state-of-the-art technology to create customized experiences specially for you.

Serves a capacity of over 300 pax.
